Petroleum Training Services

## TRAINING DURING COVID-19

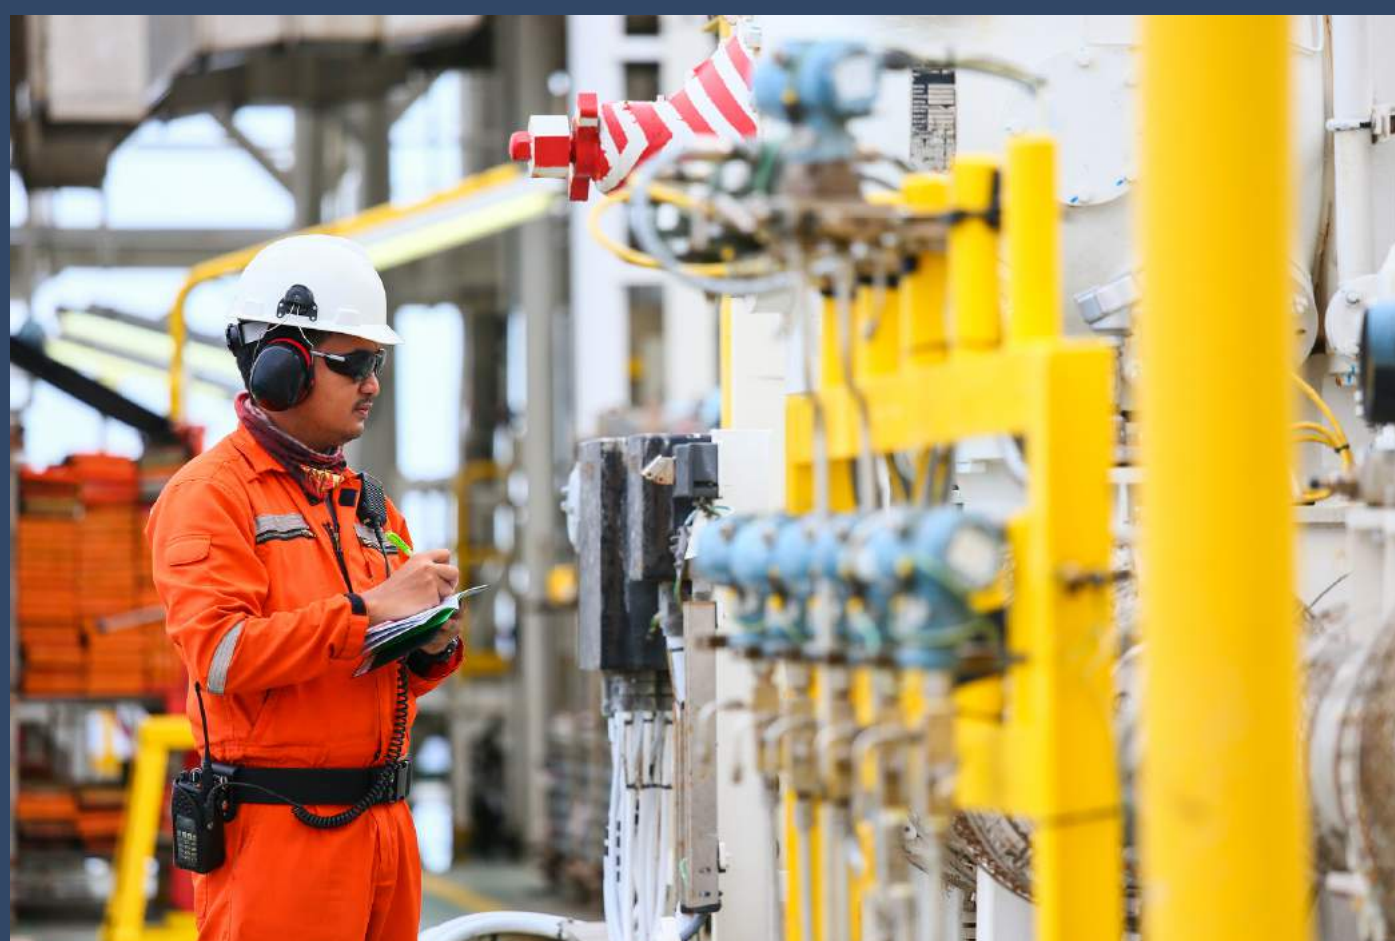

- During COVID-19 pandemic, we will conduct FULL ONLINE CLASS.
- Online exam can only be attended by participants who has had IWCF certificate before.
- New participants should take CLASSROOM EXAM at FMU Training Center (Jakarta). Classroom exam schedule will be set at a different date than online exam.
- The virtual training is LIVE and instructor-led, using  zoom platform.
- We will ensure to have a good quality virtual training, therefore we will provide:
  - Online exercise (ready before training)
  - Assistance and consultation outside course schedule

## SUPPORTING EQUIPMENT FOR ONLINE EXAM

- Internet connection – minimum 4 Mbps.
- Device options for Exam:
  - Laptop/Desktop with Windows 8 + Google Chrome
  - Ipad with IOS 9 + Google Chrome
  - Android Tablet with version 5 + Google Chrome
- Device options for IWCF monitoring the exam process:
  - Ipad with IOS 13.4 + VICTVS V3 app
  - Android Tablet with version 8 + VICTVS V3 app

## SAFETY GUIDANCE for CLASSROOM EXAM (for new participants)

- Maximum 6 participants in one class.
- Free rapid test will be conducted by FMU before classroom exam. Rapid test can be skipped if participant can show rapid/swab result that was taken within 7 days.
